

## Direct Billing at Eaton Family Health Care:

We are happy to direct bill your extended benefit company. Direct billing forms to be filled out ahead of your appointment from your computer or smart phone. This is contactless payment and the patient does not need to wait after their appointment for the payment to go through. In order to direct bill for patients, please reach out and we will send over these forms for you:

~ a direct billing 2022 form filled out on your JaneApp account  
~ a valid credit card on file with Stripe in case of a remaining balance or in case of the third party platform is temporarily down.

\*\* please note that we do not require an MD's note, however, in order to be covered, some patients do need to submit this to their benefit company before approval, please check your company for more information on your individual plan \*\*

Below is a list of companies we currently direct bill for ~ if you don't see your company listed, you will be able to submit your receipt directly to your company for reimbursement.
